

Kids Need 2 Parents

KN2P is a volunteer, 501c3 non-profit organization dedicated to modernizing family law to presumed SHARED PARENTING. When parents no longer live together, it is in the best interest of the child to have maximum time (at least 35%) with BOTH parents unless one is proven unfit or relinquishes this right & responsibility. Current research clearly shows that children do better emotionally, academically, & economically with two-parent involvement in their lives. Time & money are wasted in court under our current system, & acrimony increases. Children lose
